ARRANGEMENT OF ONLINE CLASSES

The ongoing Covid-19 Pandemic situation has brought the entire world to a halt. As like any other teaching

institution, the normal classes of the College have been disrupted owing to the present crisis. However keeping in mind of the interest of the students arrangements have been made for online classes for each year. Various Software & Applications are being used by the Teaching Faculty for

**From: Office of the Registrar,
WBUHS**

Sir/Madam,

We know that due to the outbreak of COVID 19, all colleges/institutions affiliated under the WBUHS are closed at present. Under such circumstances & for the benefit of students, I am hereby directed by the Competent Authorities of the University to request you all to arrange online classes for students of your institutions.

Further, the online lectures may kindly be uploaded in the respective college/institutions website so that the students who could not take the said classes may see afterwards.

Regards,

Indira

taking Online classes, Assigning tasks & Conduction of Online Assessments. The College has also received a communication from the Registrar, WBUHS

for initiation of such arrangements. The Director of Homoeopathy had encouraged all Homoeopathic Colleges to frame a Routine & commence Online Classes systematically,

following which - MHMC & H, Midnapore has started the provision of online classes from 15th April ,2020. The online classes have been well accepted by the students of the Institution. Meanwhile work is under process to create a digital platform of the College itself for online classes in future.
